

Visual Evaluation

Dear _____,

Attached is a copy of your written visual evaluation for contest. The name of the team member that evaluated you is at the top of the form. Don't hesitate to contact her if you have any questions after you have read it. Study each category and use the information she has given you to enhance your performance level and continue to improve as a performer.

Any member scoring 35 or below will be required to participate in an extra help session with our choreography chairman outside of rehearsal. The purpose of this session will be to focus on the areas that need the most work, and offer tips for continuing to improve visually. It will be an excellent opportunity for you to refine your skills and solidify your ability to perform at a consistently high level. Our performance is the result of hard work by each one of us, and the more attention we focus on making personal improvements, the stronger we become.

Thank you for your hard work and dedication. This is going to be a contest to remember!
